NATS 1981

NATS

The pattern event went very smoothly this year, under the leadership of Jerry Jackson and assistants Bill Hurley and Don Haase, with help from members of their San Antonio club. Each class flew grouped together on the flight line, and each group went to the end of the line for each round. Flyers within each group were also moved down each round to avoid being the first in his class to fly before the new judges. This seemed to work out very well. As usual we had computer problems but when adjustments were made to compute manually, with the computer furnishing the readouts of standings only, things smoothed out considerably. Instant unofficial scores were used, so the competitor knew right away unofficially where he stood and received his copy of the scoresheet immediately. Thanks are due to Suzi and her team of tabulators at the sites and in whatever vehicle they could commandeer to tabulate the scores for final posting.

We were pleased to note that three out of four of the first place finishers were NSRCA members, and were presented with the NSRCA Flight Achievement award.

12. Jeff McLean (Top Junior)			

next year, but it will be at another field, due to the loss of the one they now have (interference and increase of lease money are the dual culprits).

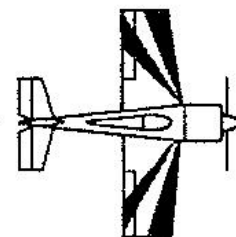

District Championship Meets - should be scheduled by the District V.P. For District I, it will be held at Floyd Bennett Field on September 20th.

Speaking of District V.P.'s, each one of you was sent a quantity of blue NSRCA brochures. If you wondered why you got them - hand
