

# Lake Area Radio Kontrol Society Pattern Flight School For Pilots and Judges of all classes and experience levels

June 9<sup>th</sup>, 2018

Bo Hinch Model Airfield  
Sulphur, LA

- Event consists of ground schools for Pilots and Judges, and plenty of flying until dark
- All classes invited to attend as we share tips, strategies and principles of excellent Pattern flying and Pattern judging
- Ground school begins at 9am, flying and judging begins after lunch
- Pilot's ground school led by Mark Hunt, Judging clinic led by Monte Richard
- Pilots will receive real time feedback from judges, judges will have opportunity to practice and fine tune their judging skills
- Cost is \$20 per person and includes lunch
- Field has 600 foot paved runway with unobstructed approaches both directions, an air conditioned club house, numerous 4X8 tables, electricity and indoor restrooms.
- RV parking available on site with 4 electrical hookups (1st come basis). More than enough room for 50 + self-contained campers (if field is dry). Cost is \$10 per day for electrical hookup.
- Field is fenced, call if you plan to arrive before Saturday morning and will need access for camping
